

# OPEN BURNING CHANGES

Effective Nov. 1, 2013 open burning and burning of household trash in barrels will be prohibited inside the city limits of Andover. This change is being made to reduce the health and safety risks of those activities to Andover residents and visitors. Chiminea, Bar-B-Q or camp fire pits /rings are permitted when:

- They are less than 3 feet across and
- using a fuel stack of not greater than 2 feet in height.
- These items should be kept at least 10 feet from other combustibles.
