Building Permit Application
For All Residential Projects
City of Andover, Kansas
Department of Building Inspection

Owner's Name:_____ **Date:**_____

Address:_____ **Phone:**_____

Contractor Name & Address:_____

City of Andover License #:_____ **Phone:**_____

Class of Work: □Remodel □Addition* □Addition & Remodel*

□Accessory Structure* □Basement Finish

Valuation: $_____ **Sq/ft:**_____ **NRP**:** □Yes □No

Description of Work:_____

_____

_____

_____

For all **addition and **accessory structure** projects: A site plan must be submitted with this application and is required for permit issuance. The site plan must show the proposed addition's size and dimensions in reference with property lines, setbacks, easements, and any other existing structures within the property.*

*****Neighborhood Revitalization Plan**: Major real property improvements/renovations might qualify property owners for participation in a plan that offers property tax rebates, in accordance with the provisions of K.S.A 12-17, 114 et seq. Ask City Staff whether the improvements that pertain to this application fall within the eligibility criteria.*

Contractor/Homeowner must name subcontractors that are licensed in Andover for M-P-E work. These subs must pull their own permits, and request their own inspections. This application is for both building and zoning permit requirements. Both zoning official and building official will review the application. Permit Approval must be completed before a permit can be issued, before work can begin and before inspections can be scheduled.

PERMIT APPROVAL REQUIRED BEFORE STARTING ANY WORK

I/we, the undersigned, hereby certify and know that I/we have examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
